No. 31.

THE QUEEN VICTORIA AND  
WAR MEMORIAL HOSPITAL,

HANWELL, W.7.

*The Hospital was founded to commemorate the Diamond Jubilee of Her Most Gracious Majesty, the late Queen Victoria, 1897, and extended in 1923 in memory of those from Hanwell who fell in the Great War, 1914—1919*

## The Tomlins X-Ray Department.

The number of Patients treated in this Department during the year was 230, an increase of 6 over the previous year.

In order to increase the efficiency of the Department the Committee has purchased a Potter-Bucky Diaphragm, and to safeguard the Hospital against the risk of Fire a special Fire-proof Cabinet has been ordered for the storage of the Radiographs.

## Statistics.

The usual Statistical Tables to comply with the requirements of King Edward's Hospital Fund for London are set out on page 14.

A Comparative Table showing other figures of interest is given on page 15. Attention is drawn to the fact that the smaller average number of Beds available in 1927 is due to the Hospital having been closed for a period during that year for redecoration.

## Pound Day.

By the generosity of friends the Hospital again received most welcome Gifts on Pound Day—October 22nd, 1929. The amount received once more showed an increase, being no less than 2,301 lbs. of Goods. The Cash received amounted to £15 2s. 2d.

The Schools continue to provide the bulk of the Gifts which appreciably reduce Matron's Housekeeping expenses.

## Obituary.

The Committee records with very great regret that since the close of the year the Hospital has suffered the loss of the Honorary Dental Surgeon—Mr. H. Cadwaladr Jones—who died on January 23rd, 1930.

Mr. Cadwaladr Jones had held this position on the Hospital Staff since 1905 and skilfully carried out a very great deal of most useful work.

The Committee places on record its deep appreciation of his interest and help throughout so long a period.

## General.

The Committee offers very hearty congratulations to Alderman H. J. Baker, J.P., C.C. (a Vice-President), on his election as Mayor of Ealing.

Mr. Baker first became a Subscriber to the Hospital in 1907. In 1911 he was elected to the General Committee, and since then has also well served the Hospital as Honorary Treasurer.

The Mayoress (Mrs. E. F. V. Baker) has very ably served upon the General Committee and House and Ladies' Visiting Committees for many years. She has also been a very energetic worker in connection with Hospital Flag Days, Alexandra Rose Days, and similar organisations for collections for the Hospital's Funds.

In order to watch the interests of the Hospital in connection with the Local Government Act, 1929, the Committee has applied for, and has been granted, membership of the British Hospitals' Association.

The Committee has obtained exemption from the operation of the Nursing Homes Registration Act, 1927.

During the year under review the Hospital has celebrated the Thirtieth Anniversary of the laying of the Foundation Stone. This took place on June 21st, 1899, and the ceremony was performed by the Countess of Jersey.

The Committee records with pleasure that although Mr. and Mrs. A. E. Hill have removed from the District, their interest and support will not be lost to the Hospital.

### **Finance.**

The Committee expresses its deep sense of gratitude to all those who have again supported the Hospital and helped in this way to maintain the efficiency of its beneficent work.

There is a slight decrease in the receipts as compared with 1928; this is accounted for in various ways over which there was little or no control. Some items, however, show an improvement, particularly Entertainments and Church collections. Mr. Harvey arranged five dances at the Park Hotel, which produced £68, a very excellent and encouraging result.

King Edward's Hospital Fund contributed £50, Alexandra Rose Day £80, and the Metropolitan Hospital Sunday Fund gave £60.

We have for the first time participated from the funds of the Hospital Savings Association, and have received £99 11s. 2d. for three Quarters. This amount undoubtedly accounts for the shrinkage in the Patients' Payments.

The list of Subscribers includes about the same number as in previous years, although the amount differs slightly. The Committee would like again to emphasise the importance and value of many small subscriptions regularly given.

**Every little bit,  
Added to a little bit,  
Makes that little bit  
A little bit more.**

The Hospital Carnival was again most successful, and the Committee desires to record its heartiest appreciation of this splendid help. It entailed months of hard work and careful thought. To the Organising General Secretary; Mr. R. P. Bradley, the Fête Secretary; Mr. G. T. Frost, the Carnival Secretary ; and to all who so generously contributed, the Committee tenders its most grateful thanks.

The outstanding feature was the remarkable liberality towards the Hospital Funds at the two great Services of Thanksgiving held in Carnival Week—one in the Broadway and the other conducted by Rev. H. J. Beck in Elthorne Park.

£50 was contributed by various Sports Associations during the year.

A disappointing feature this year is the falling off in the Box Collections. The other weekly contributory sources to the Hospital would naturally account for most of this, however.

Mr. F. Clayden has again given of his valuable time to collect the boxes—this assistance is very much appreciated.

The expenditure incurred shows an increase of about £50 on 1928, although the amounts under most of the headings differ only very slightly.

### **Honorary Medical Staff.**

Since the close of the year Mr. W. Forrest Hamilton, M.B., Ch.B., has been appointed to the Staff and is heartily welcomed by the Committee.

### **Committees.**

The general policy of management of the Hospital and its finances continues to be closely watched and directed by the General Committee. The House Committee has given consideration each month to the administration of the routine and domestic matters connected with the Hospital. Mr. A. E. Hill, J.P., and Mr. J. Smith were again elected Chairmen of the respective Committees.

A member of the Ladies' Visiting Committee has examined the accounts for housekeeping, etc., prepared by Matron each week, and at the monthly meeting of the House Committee the Visitor's report has been very satisfactory.

### **Acknowledgments.**

The Committee once again has to extend its deepest thanks to everyone who has in any way assisted in the work of the Hospital, *i.e.*,

The Subscribers and those who have given Donations, in Cash or Kind. Detailed lists appear on pages 10, 11, 12 and 15.

The Ladies' Linen League for its valuable and useful Gifts.

All those who have assisted to make the receipts from the Collection Boxes, Congregational Collections and the like, so successful. It is impossible to name everyone who has helped in this direction, but the Committee appreciates very highly even the smallest gift included in such receipts.

The Honorary Consulting and Medical Staff, who, as in past years, have been untiring in their attention to the Surgical and Medical needs of the Patients.

Matron, Sister, the Nursing and Domestic Staff, for the continued loyal and efficient work rendered. Under the very kindly and considerate direction of Matron this part of the work has been carried out with all possible harmony and the Committee is fully appreciative of Matron's excellent assistance in this direction.

The Honorary Architect, Honorary Solicitor and Honorary Auditors, who, in the respective appropriate departments, have given the Committee the benefit of expert professional advice.

All those who have organised Entertainments, etc., for the benefit of the Hospital.

The Local Press, which continues to give valuable space for the publication of Reports, Notices, Appeals, etc., in connection with the needs and work of the Hospital.

The various Committees and Executive Officers.

J. SMITH, *Chairman.*

HENRY P. NASH, *Hon: Secretary.*

GEORGE F. BOUGHEY, *Hon: Treasurer.*

BALANCE SHEET as at 31st December, 1929

We have audited the accounts of the Hospital for the Year ended 31st December, 1929, and are of the opinion that the above Balance Sheet is properly drawn up so as to exhibit a true and correct view of the state of affairs of the Hospital according to the best of our information and the explanations given to us, and as shown by the Books of the Hospital. The Monthly Payments and Receipts from Patients are vouchcd and passed by the House Committee. To the best of our knowledge and belief the regulations of the Revised Uniform System of Hospital Accounts have been followed.
